More about why we do what we do...

THERE IS NEED

30% of children in Milton Keynes are living in poverty*

We have seen a 27% increase in need since September this year

In the last academic year we delivered 6,386 meal boxes, feeding 25,544 hungry people.

*according to the MK community Foundation Vital Signs Report 2024

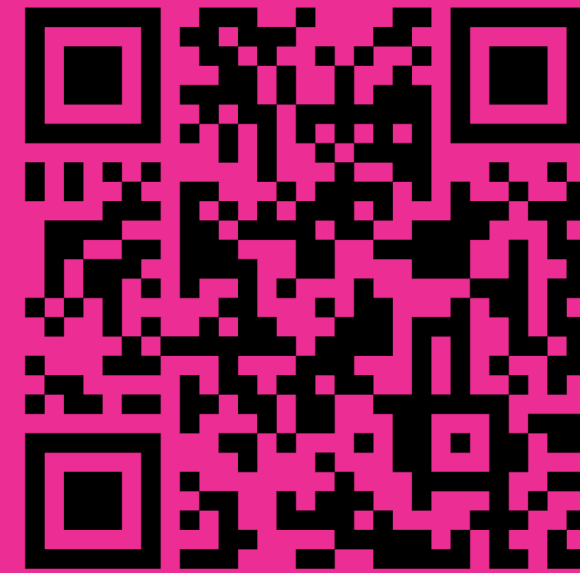

We are partnered with over 130 schools, pre schools, children centres & NHS settings to get our meal boxes to as many hungry children as possible.

Your generous giving helps us to provide these meals.
